

## 2022 ATTS PROJECT PREPARATION FORM

**QUERY #1** Write a 2-5 sentence description of a notable lesson as it relates to South Africa, drawn from the life experience of someone you know and believe would collaborate with you (aka your Subject!).

**QUERY #2** Write a 2-5 sentence description of a place relating to the life-experience of your Subject, and why it would make a good “stage” for a “tableau” portrait photo. It should be a place that is accessible and will contribute to the story.

**QUERY #3** Create a one-sentence metaphor that is soil-related, which conveys the essence of the life-experience.

**QUERY #4** Review the Standard Oral History Questions. Are there any further questions that you consider essential to ask?

**QUERY #5** Test your mobile phone for audio sensitivity, and the maximum distance at which it can be before the audio is unacceptable, in a similar place as that planned.

**QUERY #6** Practice the process of recording, downloading, renaming, the audio file.

**QUERY #7** Review UCLA Oral History Interview Guidelines and prepare for your role!
